Sir:

This paper is filed in response to the Notice Of Missing Requirements Under 35 U.S.C. 371 In The United States Designated/Elected Office (DO/EO/US) (Form PCT/DO/EO/905) mailed June 19 for U.S. Serial No. 10/597,344. The International Bureau of the Patent Cooperation Treaty apparently neglected to send a copy of the executed Declaration for PCT/SG2004/000021 to the United States Patent and Trademark Office. The Application Data Sheet submitted on July 20, 2006 (copy enclosed) with the initial filing correctly identified the inventors for U.S. Serial No. 10/597,344. Also enclosed herewith is a Declaration executed by the applicants, and previously filed in International Application No. PCT/SG2004/000021, which was retrieved from: <http://www.wipo.int/pctdb/en/>. The front page of International Publication No. WO 2005/069523 A1 (copy attached) also references the Declaration.

Applicants respectfully request that the Notice Of Missing Requirements Under 35 U.S.C. 371 In The United States Designated/Elected Office (DO/EO/US) mailed June 19, 2008 be rescinded, and a Filing Receipt be issued for this case.

In view of the foregoing, Applicant respectfully requests that the application be accepted as timely filed, a filing date be accorded to this application, and the \$130 surcharge fee be refunded to the Applicant. Applicant is entitled to a refund of the \$130 surcharge fee once this response and its attachments are accepted by the PTO. Accordingly, Applicant respectfully requests a \$130 refund. In addition, Applicants hereby petition for any time extensions that are necessary to prevent this case from being abandoned. In the event that additional fees related to this reply, or other transactions in this case, are required (including fees for net addition of claims and for time extension), the Examiner is authorized to charge Conley Rose, P.C.'s Deposit Account Number 03-2769 for such fees.

Respectfully submitted,

/Jonathan M. Harris/
